PROFILE

I am a third-year Computer Science student at Wollo University kombocha campuss with a growing interest in web development. I have basic hands-on experience building simple websites and small web applications using HTML, CSS, JavaScript, React, Next.js, and Node.js. I enjoy learning new technologies, writing clean code, and improving my skills through practice. I am eager to take on entry-level opportunities where I can apply what I have learned, contribute to a team, and continue to grow as a developer.
